

Accessing Mathematica from Home

1. Go to wolframcloud.com and click “Sign up for free.”

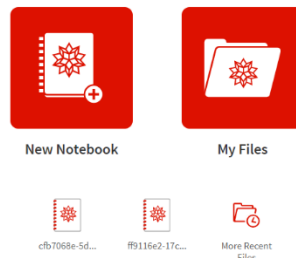

2. Fill out the form using your USF email address to create an account.
3. Verify your email address by clicking the link sent to your email address
4. Click [here](#) to sign up for a free license
5. Complete and submit the form.
6. Once submitted you will receive another email with a link to complete your activation. Click on that link.
7. After clicking on the link you should see the following box in the My Subscriptions area. This means that you're account is all set.

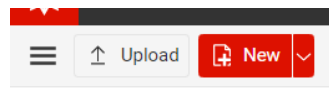

8. To start using Mathematica, go to mathematica.wolframcloud.com and sign in. Your recent notebooks will appear at the bottom, you can click My Files to view previous notebooks, or click on New Notebook to start from scratch.

WOLFRAM MATHEMATICA

9. To use files that you previously used on the desktop version, you will have to click on My Files and select Upload.

For assistance please [submit a ticket to the Technology Support Center](#) and a representative will follow up as quickly as possible.
