

## Free Trial of SPSS

Go To: <https://www.ibm.com/products/spss-statistics>

Click the **Try free through June 15** button

Create your SPSS free trial account, agree to the terms and retrieve activation your code

Click the **Download** button

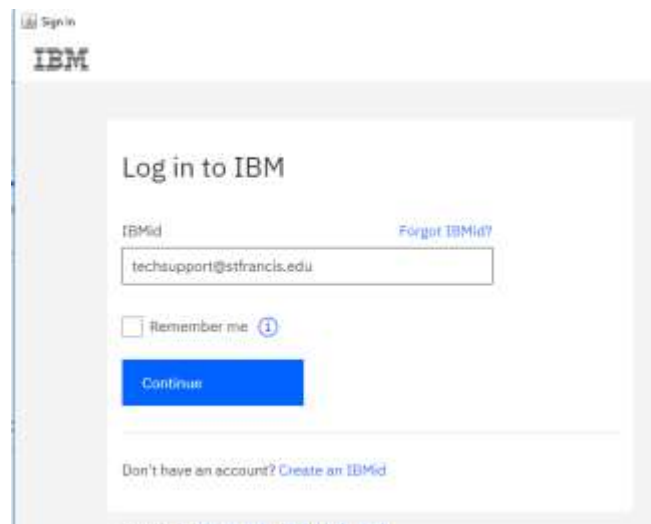

On the following screen choose the correct version needed and click **Download**

If you are not sure which version to download or how to check, click the following link:  
<https://support.microsoft.com/en-us/help/13443/windows-which-version-am-i-running>

Once the SPSS installer has downloaded, open it to begin the install

After installation, you will be prompted to log in with the account you have created.

Once you have successfully logged in with your SPSS account credentials the SPSS application will launch
